

# Camp Turrell Chapel Benches

Our Chapel Restoration Service Project is ongoing, but we need your help! The existing Camp Turrell Chapel benches are no longer in serviceable condition. Lenapehoking Lodge IX is seeking individuals, scout units chartering organizations etc. who might sponsor a chapel bench. All the benches will be engraved with their sponsors identity. The cost is \$400 for a 12' long bench. With your support, we can fully restore the chapel and leave a lasting legacy for Camp Turrell. You can donate online by clicking on the "donate" button below or by a check made payable to: Northern New Jersey Council, BSA with memo IX Chapel Restoration.

Please mail the check to IX Turrell Chapel Restoration, Northern New Jersey Council, BSA, PO Box 670, Oakland, NJ, 07436 with the following form completed.

Thank-you!

Donor name (individual or organization)

Donor address

Donor contact name (if donor is an organization)
