We hope to partner and find support with other businesses in the local community on top of the ones we have historically worked with to make this the most successful year."

Lieberman and his team welcome any and all businesses and organizations to participate and sponsor the event. "We always welcome golfers – the more the merrier." The Three Rivers District Golf Outing has historically always been the highest earning event the district has presented.

The format for the tournament is a 4-player Scramble with a morning tee time.
